(Best Practices in Commercial Contracting)

Karla Pinckes, Ken Blanchard Co.

(International Cross Border Service Contracting; Helpful Processes/Procedures)

Commercial contracting covers a broad spectrum of topics and issues that may not be routinely experienced by contracting professionals of primarily Federal, State and Municipal contracts. This seminar will provide an opportunity to “brush up” on the current field of topics within commercial contracts ranging from contract provisions, business entities, UCC, warranties as well as indemnification and dispute resolution. In addition; we will discuss commercial best practices and compare Federal Acquisition Regulation and commercial law similarities and differences. Please join NCMA San Diego in reviewing new developments in this area.
